## WIFE SAVERS BY MRS. MARY MORTON

**Beefsteak Potpie**—Into the beef put all the flour you can, salt and pepper, saute in six tablespoons of hot butter until a nice brown on both sides. Pour over meat boiling water until more than well covered. Salt the water a little, slice a few potatoes over meat. Sift one cup flour, one teaspoon baking powder, one-quarter teaspoon salt, work one teaspoon butter in flour, enough milk to moisten well, drop by spoonfuls in the meat and bake one-half hour.

**Head Lettuce Salad**—Shred lettuce, place on dish, salt one-half cooked egg, thin strips of pimento cheese placed on eggs like flower petals, salad dressing, garnish with one teaspoon peanut butter.

**Dried Beef Rarebit**—Take one-half cup of dried beef shredded fine. Saute in a small amount of butter, pour over three-fourths cup of tomato juice, break four eggs into mixture, stir and cook till thick (about five minutes). Serve on toasted crackers or toast. When the family is tired of eggs, try this recipe.

**In a home where little ones like to play at the window seat,** the problem of protecting the finish can be solved in this way: I purchased a piece of beaver board of required size and stained it to match the dining room woodwork. This remains flat and in place and, if desired, can be quickly removed when guests are expected. This same treatment can be used for the window seat which is to hold plants, to avoid water stains.

**cream.** Bake a delicate brown. In making bread pudding use plenty of butter, sugar, cream, milk, two beaten eggs, seasoning and a large cup of seeded raisins. Bake until rich and custardy.

**To clean a varnish brush that has become hard and stiff,** put it in a basin with some vinegar, set over the fire and let simmer for a few minutes. Wash out in soapsuds and it will be as good as new. Or

**soak for half a day in good, strong soapsuds.**

**Green is coming into favor as a color scheme for living rooms,** and the new rugs frequently have this color for a background.

**SEWING HINT**  
When doing your spring sewing and a seam has to be pressed, fill a medicine dropper with water and travel slowly down the seam. This furnishes just the right amount of moisture for pressing.

**For the best midnight lunches,** give Hughey a ring. He'll fix things up for you, and give the guests a real treat. The American, Carson St., Torrance.—Adv.

**GRADUATING GIFTS**  
What to give the sweet girl graduate or the manly boy graduate is always the problem of the masses, so to speak, at this time of the year. Let us start with the obvious. For the girl, jewelry is one's first thought. Wrist watch, ring, necklace, bracelet, hair ornament, beaded or jewel bag, fan, dainty clock for her room, silver spoon, silver case or bonbon holder. Books, an exquisite little picture or statuery, if she loves artistic things, but be sure they are good. Gloves, stockings and pieces of lingerie are always acceptable these days. Umbrellas are good, for either sex, as are books, rugs or sofa pillows for their rooms, tennis raquets or golf sticks, gold or silver pencils or pens. Of course the boys are always deluged with socks, ties, stick pins and handkerchiefs, ash trays, pipes, cigarette holders, match boxes, etc., and a good book, picture or piece of statuery would be a change for them, too, if they care for such things, as many boys do.

**The canvas for cross stitch work is very expensive,** so instead of buying that at 85 cents a yard, use old marquisette curtaining. You can have any size cross stitch you desire. The threads pull out easily one way, and it costs you nothing.

**Plain Strawberry Shortcake**—Two cups flour, four teaspoons baking powder, one-half teaspoon salt, two teaspoons sugar, three-fourths cup milk, one-quarter cup butter. Mix dry ingredients, sift twice, work in butter and add the milk gradually. Toss on a floured board and divide in two parts. Pat, roll out, and bake in buttered round laker cake pans. Split and spread with butter. Put strawberries previously prepared between and on top of the shortcake.

**Raisin Rooks**—Cream together a half cup of butter and one cup of sugar. Add two well beaten eggs, two cups of flour, a half teaspoon of baking soda, one teaspoon cinnamon, two tablespoons of water, one cup each of seeded and cut raisins and chopped nut meats. Mix well and drop by teaspoonfuls on hot buttered tins and bake in a hot oven.

**Potato Soup**—Boil and mash four potatoes. Add to them a grated onion, pepper, salt, a tablespoon of chopped celery leaves, a dessert spoon of sugar and a heaping tablespoon of butter. Mix well, then turn in slowly a quart of hot milk, beating well. Let it come to the boiling point, rub through a fine sieve to take out any lumps, add a half cup of cream that has been heated, and serve.

**Creamed Eggs and Mushrooms in Patty Shells**—Boil the eggs hard. Prepare and saute three-quarters of a pound of fresh mushrooms. Chop the eggs coarsely and mix with the mushrooms. Then have ready a rich cream sauce and stir them into it. Have the patty shells hot. Fill and serve at once.

**NEW FASHIONS in HOME DECORATIONS**  
Bureaus made of metal to match beds are new. They have the advantage of being fireproof and stainproof. The tendency in bedroom furniture at present is color. Dull blues and greens are popular. Sometimes they are banded with a shading of the same color, and sometimes with narrow black or orange for contrast.

**Baked Macaroni and Cheese**—Parboil the macaroni until tender. Drain, put into a buttered baking dish, add pepper, salt, a teaspoon oil, sugar, a small cup of grated cheese. Dot generously with pieces of butter and pour over a large cup of milk and a half cup of

## Un-superstitious pedestrians often do this

—Proving that a post can divide two people without splitting their friendship. In the same way experienced motorists have proved to their complete satisfaction that Zerolene, a western oil, will lubricate the modern automobile engine as well or a little better than any oil they can buy, although it costs less than eastern lubricants.

**The anti-western oil superstition succumbs to experience**

Zerolene is successfully lubricating more cars in the Pacific Coast states than any other oil made—low and high priced cars alike. The most advanced refining process is this Company's patented high-vacuum process, during the use of which Zerolene is submitted to 15 positive checks for quality. Zerolene's special filtration through 40 tons of Florida Fuller's Earth gives you an oil of absolute purity—a better oil even if it does cost less!

**Less carbon—better fuel mileage**  
Zerolene will increase the power and gasoline mileage of your car, reduce carbon accumulation in the cylinders and lengthen the working life of the engine.

**Why pay tribute to a superstition? Insist on Zerolene—ask for it by name.**

**Get the Facts!**  
A series of independent and impartial reports showing the experience of large users with Zerolene has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.

**Insist on ZEROLENE even if it does COST LESS**
